**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

re:

AT&T and their trade association, US Telecom, have recently petitioned the FCC to take away access to critical unbundled network elements

Dear FCC,

I hope you will not give in to this unreasonable demand that will have the effect of depriving millions of Americans affordable broadband access.

We need to conserve open network structures to promote price competition and creative innovation.

Please do not allow a few powerful, wealthy corporations to monopolize broadband network infrastructure and jeopardize the future of our nation's communication system.
